

We invite you to use this reference chart to determine the correct size coin bezel you are in need of. Within the chart we list all of the coin bezel sizes we stock or are able to supply by special order. Sizes listed on the chart that say "Special Order" and considered non returnable. Unfortunately we are unable to supply any sizes not listed on the below chart. All coin bezels shown are available in metal choices of Sterling Silver, Yellow Gold Filled, or 14K Yellow Gold with either a coin edge (grooved edge like a coin) or a rope edge. Each bezel has a screw top style closure, your collectors coins will be easy to mount with the use of a small blade jewelers screwdriver.

Sizes listed on the chart that say "Special Order" and considered non returnable. Unfortunately we are unable to supply any sizes not listed on the above chart. Special orders take around 4 - 5 weeks to process. In order to obtain a price quote for any special order bezels, please email us at mail@esslinger.com. OR You can add a "special order coin bezel" into your cart and complete the checkout process. The special ordered coin bezels are listed with a generic cost, which is not the actual cost of the special ordered bezel. Within 48 hours of receiving your submitted web order we will email you back with the adjusted total and a request for you to confirm the special order.
